AUCTIONEER'S NOTE:

Tom was an avid tractor collector. The tractors are in very good condition and have been kept inside. These tractors were started and run once a year. Don't miss this opportunity to own a great collector tractor! Sam's hobby was reconditioning stationary engines. All of these engines are in running condition. Some of the engines are very rare. This is a "once in a life time" auction. Hope to see you on July 18th! Rick
